Reasons For Allowance

The following is an Examiner's statement of reasons for the indication of allowable subject matter:

The basis for the allowability is :

Prior art of record does not teach a method of verifying a mask for a mask ROM, by selecting a first and second chips manufactured by a process with the mask, implanting a random code into the first chip and testing first chip for generating a first test result, implanting a reverse tone random code into the code derived from the second chip and testing the second chip for generating a second test result, comparing the first and second test results for determining if the mask is defective.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
